SECTION B
BAHAGIAN B

QUESTION 1 [20 marks]**SOALAN 1 [20 markah]**

- a) At the beginning of the current year, Perniagaan Umar (PU) has Accounts Receivable balance of RM775,000. Net sales during the year, RM6,000,000.
Pada awal tahun semasa, Perniagaan Umar (PU) mempunyai baki akaun belum terima RM775,000. Jualan bersih pada tahun semasa RM6,000,000.

The allowance for doubtful debts before adjustment has a balance of RM8,050. Current year credit sales are 17% of net sales. Collection of accounts receivable RM650,000 and accounts receivable of RM17,500 are written off using the allowance for doubtful debts account. At the end of the financial year, allowance for doubtful debts estimated at 2.5% on the balance of accounts receivable.

Peruntukan hutang ragu sebelum pelarasan mempunyai baki RM8,050. Jualan kredit tahun semasa adalah 17% daripada jualan bersih. Kutipan akaun belum terima RM650,000 dan akaun belum terima RM17,500 dihapuskan menggunakan akaun peruntukan hutang ragu. Di akhir tahun kewangan, peruntukan hutang ragu dianggarkan 2.5% atas baki akaun belum terima.

REQUIRED:**DIKEHENDAKI:**

Prepare accounts for bad debt expense, accounts receivable and allowance for doubtful debts for PU.

Sediakan akaun belanja hutang lapuk, akaun belum terima dan akaun peruntukan hutang ragu bagi PU.
